MISCELLANEOUS DEPARTMENTS

OFFICE OF THE SECRETARY, MYSORE GOVERNMENT INSURANCE DEPARTMENT, BANGALORE—1.

Circular No. 234, dated 31st August 1950.

Section : New Business—General.

Filling up Personal Statement Forms.

To

All the Examining Medical Officers and Agents.

It has come to my notice that after answering questions in the Personal Statement of the Medical Report, the Proposers either affix their thumb impressions or signature without any knowledge of what has been written therein by the Examining Medical Officer. As there is every possibility of the contents of the Statement being denied subsequently, the Examining Medical Officers and the Agents are requested to see that the Proposers, if they are literate, fill in the Personal Statement *themselves*. However, the Examining Medical Officers should elicit the proper answers for each question and see that they are recorded in the Statement. It may be noted that Kannada forms of the Personal Statement which are available may be made use of whenever necessary.

2. Where the proposers are illiterate, or when they can merely affix their signatures, or if the signature is affixed in a language different from that in which the Personal Statement form is filled up, the contents of the Statement, recorded by the Examining Medical Officer on behalf of the Proposer, should be read over and explained to the Proposer, in a language which the Proposer understands and after the Proposer is fully satisfied about the accuracy and correctness of the contents and admits the same, the Examining Medical Officer should make an endorsement under his signature at the foot of the Personal Statement in the following form : "I have read over and explained the contents to the Proposer and he has accepted correctness of the same."
